All,

Attached is the final FFTT report with the agency's disclaimer language incorporated onto the cover page.
I believe it is now ready for posting.

All,

Attached is the 2010 Fish Facilities Technical Team report, confirmed by Patti Kroen to be the official final version. I believe that a short introductory "disclaimer" for this document was sent around and approved by this group while I was out last week. Having both finalized, I think we are ready to release the report. Thanks,

Mike
